

Campership Program

Don't let Finances keep You Away!

The Camp Medley director and staff desire to "... run a high quality Christian camping experience." We do our best to price our camps well below the actual cost, through the continued commitment of the Anglican Diocese of Fredericton.

Who is Eligible?

Our Campership fund, made possible through donations, is available to help take the financial pressure off parents. This fund is designed for those who are not being sponsored through a local Church or community organization. The campership can waive up to 50% of the cost of the camp. (See "The Fine Print")

How to apply?

The process is very simple:

- Please register your child for Camp and pay the \$50 deposit. Once this is completed you can download the Campership Form, fill it out and upload on the registration site.
- Unable to register online, or provide the deposit of \$50 at this time? Please download the Campership form (below) and email it to the Director, director@campmedley.ca

Then What?

After we receive the application, the application will be processed and applicants will be notified by the camp office upon the approval. Confidentiality is ensured.

The Fine Print: Camp Medley and its staff reserve the right to approve or deny campership requests at their discretion. Campership Applications alone will not reserve a spot in any program. Camp Medley reserves the right to attach conditions to, modify or discontinue this program as necessary. Awarded campership will be credited toward the registration fee. Extra purchases (camp swag, BBQ) are NOT included. No other discounts (e.g. sibling, multi-week) can be combined with a campership.

Please read the following form carefully and fill in all areas

Have a question? Contact director@campmedley.ca or phone 506-488-2874
